For attending to the work relating to handing over of the stocks, the retention of the Reception Deputy Tahsildar and his peon is necessary. The Head Accountant is required for reconciling stock accounts etc. The Collector considers that the retention of the staff is absolutely essential, The Board agrees with his proposal and requests the Government to sanction the retention of the posts shown below, for a period of one month from 1-7-1955 to 31-7-55 or till the need ceases whichever is earlier for Civil Supplies work in South Kanara District.
